Great News

Attendance Bicycle Raffle

We will be drawing our Tour de Yorkshire Bicycle Raffle today. 100 children have been entered into the raffle for 98-100% attendance from 2nd May to 24th May. A BIG WELL DONE to all the children who have had outstanding attendance during this time.

The attendance disco will take place at the end of the summer term for all children who have gained 98-100%! This half term or/and next half term.

100% Attendance

Children will have the chance to enter a raffle for a fabulous bike donated by our Chair of Governors, Richard Punshon. Our Chair is looking for 100% attendance and no late marks. You can do it!

Amazing Attendance Well Done

Congratulations to the 138 children who got to visit the attendance shop last Friday for 100% attendance for 2 weeks.

Recycling News

Many thanks for filling our Rag Bag Bin in the car park.
You raised £63 for our school funds!

Nuts

Please ensure that you do not send nuts or products containing nuts in your child's packed lunches. We have children in school who have serious allergies to nuts and nut products. Please check all information on packaging and if in doubt please contact Julie Littlewood Behaviour for Learning Manager and Safeguarding Lead who will happily advise. Alternatively your child could have a free school lunch where all products used are nut free. Please speak to admin staff at the Main Reception if you would like your child to have a school lunch.

Healthy Schools

Children are only allowed water in their water bottles. Please do not send juice/dilutes or flavoured water. You can flavour your child's water with a slice of fresh lemon, orange or lime. This is not only refreshing but also contains the vitamins your child needs for healthy growth.

Keep Our Children Safe

If your child comes to school on a scooter or bicycle please do not allow your child to ride it around the school playground as it is far too busy at drop off and pick up times. This week a child was hurt when a child ran into him with a bike!

Please help us to keep your children safe.

Nursery Gates

The Nursery opens at 8.30am for am session. The Nursery gates are closed at 8.45am in the morning. Please ensure you arrive in plenty of time so you can leave before this time.
