Dear Parents/Carers,

### COVID 19 Update letter 4

Firstly, a big thank you to everyone for being so understanding during this difficult time.

School will be open for your child from Monday 23 March.

How will it work?

- School doors open at 8.45am - please take your child to the pupil's entrance and also collect them from there at 3.05pm.
- Breakfast club will be open as usual - 7.45am (as long as we can get cereal, bread etc)
- Pupil's need to be picked up at 3:05 pm unless they are accessing After School Care which finishes at 4.30pm.
- The pupils will be provided with a hot lunch.
- Pupils **MUST** wear school uniform - after school we recommend that you put school uniform straight in the washing machine once returning home from school to minimise and control the spread of infection.
- Please ensure that we have up to date contact details for family available and emergency contact details should your child become poorly/exhibit symptoms of contracting coronavirus.
- Usual rules apply to who brings and collects pupils.
- If you become unwell with coronavirus symptoms, you must **immediately** contact school and arrange for collection of your child.
- Social distancing **must** be enforced whilst your child is not in school if we are to prevent/minimise the spread of infection.
- School **must** be informed if you no longer fall within the critical worker list or you have been asked to self-isolate.
- Thorough hand washing to take place at home just before leaving for school.
- We will continue with our handwashing regime in school.
- The curriculum will be slightly modified due to the current circumstances but staff in school will still be adhering to the national curriculum.

We will keep you updated with the situation but please note that these arrangements will be in place until Friday 3 April when we break for Easter.

Please contact us if you require any further information and keep safe.

Thank you for your support
