COVID 19 UPDATE (letter 2)

Dear Parents/Carers,

As stated in letter 1, our aim is to keep the school open and functioning as effectively as possible under difficult circumstances. I will keep you updated as regularly as I can with new changes etc but please keep looking at our web site.

- Until further notice we are not allowing visitors to enter school and all events have been cancelled.
- The planned Year 1 school trip to the Wakefield Museum has also been cancelled.
- The promised 'Work Packs' will be available from Friday at the main entrance. If your child is absent from school please make arrangements to collect a pack.
- **Water Bottles - can you please make sure that your child has a water bottle in school from tomorrow. It is important that your child is hydrated throughout the day.**

Also, the Local Authority have asked the 'Crossing Patrols' to self isolate so until further notice we will be without this service. Please be vigilant when crossing the road to get to school. Brenda our crossing patrol is fine and has no signs or symptoms of COVID-19.

We will of course keep you updated as things develop and we ask that you continue to keep us informed if your child is absent from school.

Please note: We will send any child home from school if they have a high fever and/or a persistent cough as advised by Public Health England (PHE).

Thank you for your support

S. Maiden
Interim Headteacher
