Dear Parents/Carers

### **New 'Read, Write, Inc.' books for home reading have arrived!**

Following the success of 'Read, Write, Inc' last year we have invested in **new reading scheme books**.

The RWI books are:

- Matched to your child's phonic knowledge through the RWI programme
- Decodable at the child's level which means they can use the sounds they have learnt in the RWI sessions
- Not mixed with other books that are non- decodable for independent reading practice
- Include a small number of 'tricky words' the decoding of which has been taught
- Sequenced in progression until your child can confidently decode words using all phonemes

Your child will now be able use what they have learnt in Read, Write, Inc to read their reading book. This will make reading more enjoyable and they will feel successful!

The books are an investment for the school and have cost over £2,000. Your child will only be able to take a book home if they have a book bag to keep it safe. We ask that you take care of the books and bring them back to school daily so that all children can enjoy them.

If there are any books that are not returned by the end of the half term parents will be asked to pay for a replacement book.

If you have any questions about the new scheme or how to support your child with their reading please ask your child's class teacher.

There will be a **Read, Write, Inc workshop** on the **9<sup>th</sup> of October at 9.00am**. Please come and join us and you can find out more about Read, Write, Inc and join your child in their group.

Many thanks
